June 24, 2020

The Honorable Ned Lamont
Governor
State of Connecticut
State Capitol, Room 202
Hartford, Connecticut 06106

Dear Governor Lamont:

The University of Connecticut (the “University”) has completed a capital budget for Fiscal Year 2021 in anticipation of the issuance of the next series of bonds secured by the State’s Debt Service Commitment for UCONN 2000 projects pursuant to Sections 10a-109a to 10a-109y, inclusive, of the Connecticut General Statutes (the “UCONN 2000 Act”).

I write this letter in conformance with provisions of Section 10a-109f of the UCONN 2000 Act, which requires the Board of Trustees to submit to the Governor each approved resolution for the issuance of securities.

On June 24, 2020, the University Board of Trustees (“the Board”) approved the Twenty-seventh Supplemental Indenture authorizing the University of Connecticut General Obligation Bonds in the maximum amount of $260,000,000 to finance projects included in the UCONN 2000 Act. The $260,000,000 is the maximum amount of debt service commitment bonds authorized for Fiscal Year 2020-2021 pursuant to Section 10a-109e of the UCONN 2000 Act, as amended effective July 1, 2020. The list includes projects which the Board has approved undertaking during Phase III.

Section 10a-109f requires that this submission include a summary report of the estimated total completion costs of projects included in this issuance but will not be completed within the issuance. Appendix A of the Twenty-seventh Supplemental Indenture includes that information for the projects authorized under Phase III. The Fiscal Year 2020-2021 allotments, together with any remaining previous fiscal year allotments, will enable the University to execute all anticipated contracts or orders during this year. The remaining funding amounts will be provided through subsequent supplemental indentures as needed.

The entire UConn community is deeply grateful for the State’s continued commitment to investing in the University’s campuses. We are also most appreciative of your support and guidance in the past year. We believe the existing strong working relationships among the Governor's Office, the Office of the State Treasurer, and the University will continue to
contribute to the successful implementation of UCONN 2000. Should you or members of your staff have any questions about this issuance or any other UCONN 2000 issues, please do not hesitate to contact me or Scott Jordan, Executive Vice President for Administration and Chief Financial Officer. Your continued support for the University of Connecticut is very much appreciated.

Sincerely,

Thomas C. Katsouleas, President

RE: Twenty-Seventh Supplemental Indenture Authorizing University of Connecticut General Obligation Bonds

RECOMMENDATION:

That the Board of Trustees approves the Twenty-seventh Supplemental Indenture, substantially in the form attached hereto, authorizing University of Connecticut General Obligation Bonds secured by the State of Connecticut’s (the “State”) Debt Service Commitment in an amount not to exceed $260,000,000 plus costs of issuance, plus amounts carried forward from the Twenty-sixth Supplemental Indenture.

BACKGROUND:

The University of Connecticut’s (the “University”) General Obligation Bonds authorized by the UCONN 2000 Act (Sections 10a-109a to 10a-109y, inclusive, of the Connecticut General Statutes, as amended) are secured by a Master Indenture of Trust by and between the University and U.S. Bank National Association, dated as of November 1, 1995, as amended (the “Master Indenture”) which provides that each new issue of bonds be issued pursuant to a supplemental indenture. For bonds secured by the State Debt Service Commitment, the law sets maximum annual amounts that the University, through its Board of Trustees, may issue.

The Twenty-seventh Supplemental Indenture authorizes the appropriations for and issuance of bonds in the maximum amount of $260,000,000 plus costs of issuance to finance fiscal year 2021 capital projects pursuant to Section 10a-109e (a) of the UCONN 2000 Act, as amended effective July 1, 2020, plus amounts carried forward from the Twenty-sixth Supplemental Indenture. The list includes projects which the Board has approved undertaking during Phase III at Storrs, the regional campuses and the UConn Health Center.
The Twenty-seventh Supplemental Indenture also authorizes that the exact amount of the bonds be determined at the time of issuance depending on cash expenditure requirements for twelve months or less following issuance. Appendix A of the Twenty-seventh Supplemental Indenture lists the UCONN 2000 projects that may be financed by the bonds (excluding the projects financed by the carry forward amounts).

This recommendation, if approved, will serve as the Board of Trustees’ resolution for approval of the Twenty-seventh Supplemental Indenture and for the series of bonds to be issued in accordance therewith. The resolution, with supplemental information, as appropriate, will be sent to the Governor for approval. If the Governor chooses not to exercise his statutory authority to approve or disapprove the resolution within 30 days of its submission, it will be deemed approved in accordance with the Act.

201. Authorization of Fiscal Year 2020-2021 Bonds, Maximum Amount, Delegation, Designation and Pledge. Bonds for Fiscal Year ending June 30, 2021 entitled to the benefit, protection and security of the Act and Indenture, and constituting Bonds to be secured by the State Debt Service Commitment are hereby authorized to be issued in one or more series under the Indenture and pursuant to the Act in a maximum amount not to exceed $260,000,000 for the UConn Projects as set forth in Appendix A (attached hereto and hereby made a part hereof) and constituting UConn 2000 Projects (provided nothing herein shall preclude the amendment of Appendix A pursuant to the Act and in accordance with the Indenture and as provided by Appendix A), plus the amount of the Costs of Issuance to be funded from the proceeds of such Bonds. The amount of bonds which may be secured by the State debt service commitment and be issued for fiscal year ending 2021 but not authorized herein, if any, are hereby carried forward to be authorized at a future time.

All of the principal amount of bonds authorized but unissued under the Twenty-sixth Supplemental Indenture, submitted to the Governor on July 9, 2019 and deemed approved by the Governor on August 8, 2019, is carried forward to Fiscal Year 2020-2021 in accordance with the Act. The exact amount of the Bonds to be issued in each series under this Twenty-seventh Supplemental Indenture is hereby delegated to and is to be determined by a certificate of, the Authorized Officer for Sale Purposes in accordance with Section 10a-109g of the Connecticut General Statutes respecting the anticipated cash expenditure requirements for authorized UConn 2000 Projects within the year following issuance plus not more than twenty (20%) percent in excess thereof, provided that such amount shall not exceed $260,000,000 (plus Costs of Issuance and any carry forward amounts). The amount of the balance of Bonds herein authorized for Fiscal Year ending 2021 and not funded by the Bonds shall be issued subsequently pursuant to an additional Certificate of Authorized Officer for Sale Purposes as an additional series of Bonds hereunder or pursuant to a Supplemental Indenture or Supplemental Indentures depending on the remaining cash expenditure requirements respecting each UConn 2000 Project theretofore authorized by a Supplemental Indenture.

The Bonds shall be designated as and shall be distinguished from other Bonds by the additional title “20__ Series __” or such other designation or designations of “Series __” inserting the applicable number and letter, respectively, reflecting the year and series issued, as provided in the Certificate of Determination, pursuant to and subject to the terms, conditions and limitations established in the Indenture, this Twenty-seventh Supplemental Indenture, an Authorized Officer’s Certificate and the Treasurer’s Certificate of Determination. In accordance with the Act, the amount of the State Debt Service Commitment in each fiscal year is hereby pledged for the punctual payment of the Special Debt Service Requirements on the Bonds as the same arise and shall become due and payable.

202. **Purposes.** The Bonds will be issued and used to provide funds for deposit in the following accounts of the Bond Proceeds Fund: (i) Construction Account, which, pursuant to Section 602 of the Indenture unless otherwise provided by a Supplemental Indenture, shall be held and maintained by the Trustee, for construction and equipping of certain facilities (or reimbursement to the University for funds expended therefor) that are included and that have been authorized as a UCONN 2000 Project by the Board of Trustees and (ii) Cost of Issuance Account, which, pursuant to Section 602 of the Indenture unless otherwise provided by a Supplemental Resolution, shall be held and maintained by the Treasurer, to pay or provide for the Bonds costs of issuance. The Treasurer and University shall cause the proceeds from the sale of the Bonds to be so deposited in the Bond Proceeds Fund. Monies in the Construction Account respecting the proceeds of the Bonds heretofore issued may be disbursed from time to time pursuant to Section 603 of the Master Indenture, particularly paragraph (5) thereof, for any such UConn 2000 Project but not in excess of the aggregate amount authorized for such UConn 2000 Project by the Board of Trustees.

203. **Interest Payments.** The Bonds shall bear interest from their respective dates, payable on the date or dates, and at the rates as shall be determined by the Treasurer in the Certificate of Determination. 204. **Form, Denomination, Numbers and Letters.** The Bonds shall be in fully registered form and shall initially be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Bonds. The Bonds shall be numbered consecutively from one upward in order of issuance.
205. **Places of Payment and Paying Agent.** So long as all of the Bonds are registered in the name of Cede & Co., as nominee of DTC, or any other nominee of DTC or its successor as securities depository, Principal, Sinking Fund Installments, if any, Redemption Price of and interest on the Bonds shall be payable from the Trustee to DTC or its successor as securities depository for the Bonds, as determined by the Treasurer in the Certificate of Determination. If any of the Bonds shall no longer be registered in the name of a nominee of DTC or any successor securities depository or its nominee, interest on the Bonds shall be payable by check mailed to the registered owners of the Bonds, and Principal, Sinking Fund Installments, if any, or Redemption Price of the Bonds shall be payable at the principal corporate trust office of the Paying Agent for the Bonds.

206. **Sale.** Pursuant to Section 10a-109g of the Connecticut General Statutes, the Treasurer is authorized to sell the Bonds by negotiation or public competitive sale, in such manner, at such price or prices, at such time or times, in one or more series, and on such terms and conditions as the Treasurer shall determine to be in the best interests of the State and University. The terms and particulars of each such sale, the receipt of each proposal and each award of the Bonds and all other action appropriate or necessary in connection therewith shall be set by the Treasurer, including the selection of the Trustee pursuant to Article VIII of the Indenture, in conjunction with the Authorized Officer for Sale Purposes to whom such matters are hereby delegated and shall be recited in the Treasurer’s Certificate of Determination, and confirmed by the Authorized Officer for Sale Purposes.

207. **Execution.** The Bonds shall be signed in the name of the University by the manual or facsimile signature of its President and the seal of the University (or a facsimile thereof) shall be affixed, imprinted, engraved or otherwise reproduced thereon and attested by an Authorized Officer. The Bonds shall be authenticated manually by the Trustee in accordance with the provisions of the Indenture.

208. **Delivery and Application of Bond Proceeds.** After their execution as provided herein and in the Indenture, the Bonds shall be delivered to the Trustee for authentication as provided in the Indenture and shall thereupon be delivered to the Underwriters upon receipt by the Trustee of the purchase price therefor in accordance with the documents of sale and upon satisfaction of the conditions contained therein and in the Indenture. The proceeds of the Bonds shall be deposited in the Bond Proceeds Fund in the amounts and for the Construction Account and Costs of Issuance Account, as more particularly set forth in the Certificate of Determination of the Treasurer.

209. **Defeasance.** Pursuant to Section 1001(1)(b) of the Master Indenture, for purposes of the Bonds and for any bonds issued under the Master Indenture after the date hereof, Section 1402, of the Master Indenture at the end of the second sentence, item (c) is hereby amended in its entirety as follows.

Pursuant to Section 10a-109s of the Connecticut General Statutes, the provisions of Sections 4-165 and 5-141d of the General Statutes shall apply to any employee or official of the University or other State agency who is discharging his duties or acting within the scope of his employment in furtherance of the UCONN 2000 Infrastructure Improvement Program.

502.  **Delegation of Authority to Treasurer and to Authorized Officer for Sale Purposes or the Executive Vice President for Administration and Chief Financial Officer.**

(A) The Treasurer is delegated, pursuant to the Act on behalf of the University and subject in all respects to the Indenture, the authority to determine with respect to the Bonds the date or dates and maturities (provided, however, that the Bonds issued to finance equipment and collections shall mature not later than five (5) years from their dated date and the Bonds issued to finance any other purpose shall mature not later than thirty (30) years from their dated date; provisions for either serial or term bonds, sinking fund requirements, if any; due dates of interest; denominations; the terms, if any, of optional or extraordinary redemption, with or without premium; time or times of sale (subject to the cash flow requirements of the University to cover the cost of the UCONN 2000 Infrastructure Improvement Program) and manner of sale; interest rates and limitations with respect thereto; provisions for receipt and deposit or investment of the good faith deposit pending delivery; and such other terms and conditions of the Bonds and of the issuance and sale thereof as the Treasurer may determine to be in the best interests of the State and University. The Treasurer shall file a Certificate of Determination with the University and Secretary of the State Bond Commission on or before the date of delivery of the Bonds setting forth the details and particulars of the Bonds determined by her in accordance with this delegation. Such Certificate of Determination shall be delivered to the Trustee on or before the date of closing of the Bonds.

(B) The Treasurer is also delegated, pursuant to the Act and, in accordance with Section 10a-109g of the Connecticut General Statutes pursuant to certain provisions of Section 3-20 of the General Statutes of the State of Connecticut, as amended, the authority to enter into agreements in consultation with the University (through an Authorized Officer) with respect to the issuance and sale of the Bonds, including financial advisory agreements, bond purchase agreements, tax regulatory agreements, and agreements with respect to security for the Bonds.
(C) The Authorized Officer for Sale Purposes or the Executive Vice President for Administration and Chief Financial Officer is hereby delegated and the Treasurer is further delegated, pursuant to the Act, the authority to approve the final terms of and publication and distribution of the Official Statement in connection with the offering and sale of the Bonds and to sign and certify that the Preliminary Official Statement is an official statement that the University deems final as of its date for purposes of Rule 15c-2-12 of the Securities and Exchange Commission (“Rule 15c-2-12”), except for certain permitted omissions described in paragraph (b)(1) of Rule 15c-2-12. The mailing, publication and distribution of the Preliminary Official Statement is hereby approved. The Treasurer, in conjunction with the Authorized Officer for Sale Purposes or the Executive Vice President for Administration and Chief Financial Officer, is further authorized and directed to sign any amendment or supplement or certificate with respect to the Official Statement or the Preliminary Official Statement that may, in the Treasurer’s judgment, be necessary or appropriate on or before the date of delivery of the Bonds.

(D) Subsequent to adoption of the resolution of the Board of Trustees authorizing the Twenty-seventh Supplemental Indenture, the Authorized Officer for Sale Purposes is hereby authorized to make such changes, insertions, deletions or provisions to the Twenty-seventh Supplemental Indenture, not materially inconsistent with the intent of the provisions of the Twenty-seventh Supplemental Indenture as so adopted as may be necessary or appropriate to respond to the requirements of the Governor, the Treasurer, the Underwriters of the Bonds, the Bond Insurer, if any, or the rating agencies with respect to the Twenty-seventh Supplemental Indenture as evidenced by approval of the Certificate of Determination and may rely on a Counsel’s Opinion for advice with respect to the foregoing. 503. Declaration of Official Intent. The University reasonably expects to incur expenditures (the “Expenditures”) in connection with the Bond projects of which a general functional description is contained in Appendix A attached hereto (collectively, the “Project”). The University reasonably expects to reimburse itself for the cost of Expenditures with respect to the Project with the proceeds of Bonds, tax-exempt obligations to be issued by the University, not later than eighteen (18) months after the later of the date the original Expenditure is paid or the date the Project is placed in service or abandoned, but in no event more than three (3) years after the original Expenditure is paid. The maximum principal amount of such debt with respect to the Project is not expected to exceed the amount as set forth in Appendix A. This declaration of official intent is a declaration of official intent made pursuant to Section 1.150-2 of the Regulations.
